About us

ABOUT THE HOST

I'm so glad you've chosen to stay here and experience a little slice of the Poconos.

I'm a traveler at heart — I've explored over 25 countries and stayed in every kind of place you can imagine. Through all those experiences, I realized what I love most isn't fancy hotels — it's the feeling of being welcomed somewhere. That's what inspired me to create this home — a cozy, modern getaway where guests can relax, recharge, and feel truly at home.

I split my time between here and my main home about two hours away, but I'm often in the Poconos enjoying all the year-round activities this area has to offer — from peaceful hikes and lake days to cozy winter getaways. This community holds a special place in my heart, and I love sharing it with others.

This is my first small business, and it's been such a joy to pour my energy into making it something special. I have a big family, a soft spot for cats, and a passion for creating spaces where people can make lasting memories. Thank you for being part of this journey — I hope you feel comfortable, cared for, and right at home during your stay.

Warm regards,

Christy
